## OFFICE OF LEGISLATIVE COUNSEL

Thursday - 2 July 1964

25X1	Appropriations Committee staff, and delivered to him a draft statement for Representative Mahon in response to his request for a suggested paper for him regarding THE INVISIBLE GOVERNMENT. I also gave Michaels several reviews of the book (both pro and con). I told him we were not pushing this but were merely following up on Mr. Mahon's request. Michaels said he felt that since the book hado't received quite the spinsh he had anticipated, that perhaps a speech by Mr. Mahon would only cause more attention to be focused on it. I told him we were inclined to agree, however, Mr. Mahon has the paper should he decide to us it in the future.	STAT
